6-2-8: CAMPERS, MOTOR HOMES, TRAILERS, AND STORAGE CONTAINERS:

A. Parking Certain Vehicles: It is unlawful for any person to park any of the following defined vehicles on any street in a commercial C district (as established in title 9 of this code) for more than two (2) hours or in any other zoning district (as established in title 9 of this code) for more than seventy-two (72) hours, except in accordance with provisions of this chapter.

CAMPER: A separate vehicle designed for human habitation and which can be attached or detached from a motor vehicle.

MOTOR HOMES: A self-contained vehicle, designed for human habitation, with its own motor power, and with a passageway from the body of the home to the driver's and front passenger's seat.

STORAGE OR SHIPPING CONTAINER: A self-contained motorless enclosed structure designed for moving and/or storing property. No person shall park any such container upon a sidewalk, public street, or highway within the Emmett city limits without prior approval from Emmett Public Works.

TRAILER: A vehicle without motor power designed for carrying persons or property on its own structure and to be drawn by a vehicle with motor power. The term trailer shall include, but not be limited to, coach, boat trailer, semitrailer, travel trailer, or utility trailer.

B. Other Regulations: Notwithstanding any provision to the contrary, the parking of any vehicle described in subsection A of this section on a street remains subject to regulation of parking established pursuant to the city or state traffic and zoning regulations.

C. Loading and Unloading: The provisions of this section shall not apply when a vehicle described in subsection A of this section is parked for the purpose of loading or unloading materials or merchandise, when such materials or merchandise are actually being loaded or unloaded, and where such vehicle described in subsection A of this section is parked within one hundred feet (100') of the loading or unloading point.

D. Time Limit: At the expiration of the applicable time limit (2 hours or 72 hours) set forth in this section, a new time may begin only upon removal of the vehicle, as described in subsection A of this section, from the block, or five hundred feet (500') from the locations in which it was previously parked, whichever is farther, for a minimum of seventy-two (72) hours. (Ord. O2016-1, 1-26-2016)
